» EL DISEÑO COMO ESTILO DE VIDA

Dear friends,

On behalf of everyone at México DESIGN, we would like to thank you for taking part in our 53th issue: "Diviértete!" (Have fun!). We are very grateful for the projects you have sent us. We believe that each one of them is propositive in its own way and that every one of them has a particular voice and a message. It was a pleasure to work with all of you. Thank you!

Best regards from México,

México Design magazine's editorial board.
